	MEMORANDUM FOR THE RECORD	
	SUBJECT: Results of Meeting between Dr. Scoville and Dr. Charyk 11 September 1962	
	Dr. Scoville reported generally on his meeting with Dr. Charyk on the subject date. The following are the principal results:	
	a. Dr. Charyk agreed to a change in the NRO organization, identifying Dr. Scoville as the Deputy Director of NRO, subject only to Mr. Gilpatric's concurrence which Charyk intends to obtain. Dr. Scoville added that he had	
	pushed on this "in view of the strong pressure from OSA".	25X1A
25X1A	b. Dr. Charyk accepted reluctantly Dr. Scoville's views on the desirability of the Agency's phase out of the contract	_0,
05)/4.4	He said this was an Agency decision. remained uncon-	25X1A

25X1A 25X1A	on the outstanding and that is also advised.	25X1A
	c. Dr. Charyk also bought the concept of a relatively senior CIA	
051/44	liaison representative to be accredited toon the NRO Staff. Dr. Scoville intends to see ifwill not accept this lob.	25X1A
25X1A	Ur. Scoville intends to see if will not accept this job.	
	d. Dr. Charyk reports that the NRO Satellite Control Center is expecte	្ត25X1A
25X1A	to be operational in two to three months. A separate letter.	
23X IA	dated 10 September 1962, from Dr. Charyk to Dr. Scoville. Contains a request	20/(1/(
	for the nomination of two Agency controllers to this Center.	
	have been identified as those individuals, and when they are	
	transferred to the Control Center, they will remain in CIA/OSA slots, which	
	should be identified as NRO positions in our T/O presentations.

Α	e. As a result of the flap on the CORONA payload directive to	2
	General Greer resulting from	,
	Dr. Charyk has agreed that any payload directives in the future	
	concerning CORONA, ARGON, or LANYARD will go to SSD by means of	(Anthoropy)
	Agency communications channels rather than NRO links. Booster schedules	
	where action is required by SSD will be transmitted by the NRO Staff to this Headquarters and SSD simultaneously to enable us to react before the	i'
Α	schedule is finalized on the West Coast.	
<i>,</i> ,	f. The argument over whether NRO receives and disperses the	
	allocated to CIA in support of the NRP continues. Dr. Scoville,	
	in conversations with Dr. Charyk, was unable to resolve this question with	
	the lines remaining firm as drawn, i.e., Air Force wants to obtain the money from the Bureau of the Budget and then dole it out to CIA in the form of	
	advances. This we do not agree to. John Bross, Agency Comptroller, is
